British Artisan Cheeses

Choose 3 for £9 or 5 for £12.50 or 7 for £14.50

Waterloo

Delicately-flavoured, Guernsey-milk cheese, made in Berkshire. A British take on Brie, but with a sweeter, more delicate flavour.

Wigmore

Delicate and creamy ewes' milk cheese with a gentle flavour. Its heavenly texture and delicacy makes this cheese of real refinement.

Driftwood

This is one of Pete Humphries' more recent creation. Rolled in ash, before the grey mottled wrinkly coat is encouraged to develop over the snow white interior. Light and delicate.

Morn Dew

Morn Dew is made in Somerset from a rich Guernsey milk that gives the cheese its deep, golden colour and flavour to match.

Rachel

Rachel is a modern washed-rind goats' milk cheese, made in Somerset by Pete Humphries, and named romantically after an old flame. It has a very smooth and clean flavour.

Keens Cheddar

Aged in cloth, stripped after long maturing. Golden and glorious. Made in Somerset by George Keen and family. Matured for around 14 months. Moist, tangy and powerful.

Perl Las

Blue pearl in English, a delicious, creamy-textured blue cheese from Carmarthenshire, Wales. Golden in colour and full flavour.

*For a selection of milder cheeses we recommend: Gewurztraminer, 2015, France,
125ml 7.00*

*For a selection of stronger cheeses we recommend: Rioja Edicion Limitada Crianza, 2012, Spain,
125ml 5.50*
